Dated, Mysore 21st August 1926.

Dear Sir,

With reference to your D.O.letter No.117-124 C.B.13-26-1 dated 13th July 1926 calling for a list of persons who have rendered meritorious public service in this District, I send enclosed a statement, A, showing the names of such persons and the details of the public service rendered by them. They deserve Palace honors.

I have enclosed also two other statements B and C which in-clude the names of persons who have also done public service deserving of recognition by Government through they may not be fit for Palace honors, and for meeting such cases it is desirable to revive the Rules issued with Government Order No.3370-420 Ec. 3-17-3 dated 28th September 1917 for awarding suitable certificates signed by the Dewan, the Secretaries to Government and the Deputy Commissioner of the District. For the success of the activities of the Economic Conference which has recently been revived, the willing co-operation of the intelligent public has to be en-listed and it is quite necessary that enthusiastic persons who come forward to render public service, should be encouraged by a public recog-nition of their services, such as the award of certificates etc. In the circumstances the persons whose names are mentioned in class B may be honored with certificates signed by the Dewan and the others in class C by certificates signed by the Deputy Commissioner.

I request that you will kindly place the matter for the con-sideration of Government and obtain their orders in the matter.

Yours sincerely,

Dear Sir,

With reference to your Confidential D.O. letter No. 117-124/C.B.13-26-1 dated 13th July 1926, I beg to submit herewith a list of persons in this District who have rendered meritorious public service, which in my opinion deserves recognition by Government.

2. It may be seen from the list that the names of certain gentlemen who have already been awarded Public Service medals have again been included for the grant of suitable titles. Gentlemen like Messrs. Kongadiappa and B. Usmankhan whose philanthrophic services were recognised by Government in the past are still showing keen interest and enthusiasm in doing honorary work. It is the desire of these gentlemen that their honorary work should be recognized by Government by the award of a suitable title, which will be an honour in the eyes of the public and which can be prefixed to their names in correspondence. In order to give encouragement to such persons, I beg to suggest that a last class title like "Rajabhakta" or "Rashtra Sevaka" may be awarded in their cases.

Yours sincerely,

Dear Sir,

With reference to your D.O.No.125-30/C.B.13-26-2 dated 13th July 1926 I send herein the names of two gentlemen who have done meritorious work in connection with the development of Co-operation in the State and deserve special recognition from Government for their services. I have selected these two names out of a big list and I strongly recommend that both of them may be given Public Service Medals this year.

It has become very difficult to attract non-official members to the Movement and make them do some useful work for the uplift of the masses. Unless the Government offer some such inducement by recognizing their work it will be very be very hard to achieve any tangible results in the rural reconstruction work about which the Government is so very anxious.

Sir,

With reference to correspondence ending with your letter No: 766/CB. 13-26 of the 26th August 1926, I append below a Tabular Statement showing the names of persons who in my opinion are deserving of recognition at the hands of Government for having rendered meritorious public service:-

1. Mr. B. Sitaramachar, B.E., Mechancial Engineer.

Has been solely responsible for the development of several large industries in the State, and has shown great enterprise and ingenuity in organising such large works. His successful efforts in obtaining the maximum production at the Sri Krishnarajendra Mills after the Expert Mr.Tomnie had left them in a hopelessly bad position as a losing concern, is, by itself, a - - singular act of service. Similarly his work in connection with the Mysore Essenflours and Asbestos are highly commendable. He has also been responsible for the proper organisation of the Sandal Oil sales and the sales now effected are maximum on record.

2. Mr. F. L. Silva, Proprietor, Bangalore Silk Filature, Bangalore City.

This gentleman has been responsible for organising the Filature Industry, unassisted, on a substantial basis, and he has also made a careful study of the market conditions, and has been responsible for stimulating the demand for Organzine and other varieties of twisted silk.

3. Mr. Alur Nanjundappa, Rice Mill Owner, Alur, Hassan District.

He should be considered to be the pioneer in the development of the Rice Mill Industry in the Hassan District and has worked unostentatiously and has developed a very large business therein.

4. Mr. Mody Abdul Gaffur - President of the Local Tanners' Associa -tion, Bangalore.

He is a prominent Merchant of Bangalore connected with the -

P.T.O.

the Tanning Industry which is one of the most important in the State, and with that of the Tanning Bark, and rendered singular service in assisting Government in connection with the control of the Tanning Bark during the Great War, and is the President of the Local Tanners' Association. During the present depression in Trade, he has been rendering valuable services to keep the industry going.

5. Mr.Mc Issac, Gangenahalli Estate, Tavarekere Post.

Has shown extraordinary ingenuity in irrigation problems and has successfully raised a very good orchard in the vicinity of Bangalore, thus demonstrating the possibility of a very promising and lucrative industry. After he started these improvements, a number of persons from all over the State, have visited his place, and have started fresh fruit farms, benefiting by the knowledge gained thereby.

6. Mr. T. Devendrappa, General Merchant, Davangere.

He is an enterprising merchant who has specialised in the Oil Mill Industry, and is responsible for the growth of the trade in our oil in other parts of India. He now owns six Oil Expellers in Davangere and in addition, is embarking on the scheme of manufacture of vegetable ghee.

2. Since 25 years I have put forth my activities in the interest and welfare of the public by way of serving in the offices noted below;- The length of time I have served in each of the office shows how I have sacrificed my life in this direction for the cause of public.

8. In consideration of all these valuable services rendered by me Mr. Mahomed Zahiruddin Meccai, the then --- Deputy Commissioner of our District and the succeeding --- Deputy Commissioner were very kind enough to recommend my name for the grant of a SERVICE MEDAL during the last DASARA. For which act of kindness I shall ever pray for your long life and prosperity.

DEWAN'S OFFICE.
Received on
11. OCT. 1926
Reg. No M. 3448

9th October 1926.

Dear Sir,

It is with much regret I beg to invite your attention to the fact that when recognitions are made in the form of medals etc., many a time the really deserving people are sometimes ignored and those who do not deserve got the same. The recognition in undeserved cases often loses value in the locality when it goes to the wrong place. Usually the District Board President at least used to be consulted and a list of names obtained from him also. This time even this was not done and I cannot divine the reason. Be that as it may; last year, as I found that none of the names I had mentioned were likely to be thought of for reasons not known to me, I made a reference to the Dewan Sahib, on 27th Septr. 26, and he was pleased to write to me that my sugestions had been received too late and that they would be borne in mind when making the next selections. I do not know what has been done now and whether any of them have been considered or will be considered at all.

I am writing this particularly on account of one Mr. B.P.Mallegowda a Coffee Planter in Bellawara in the Arehalli hobli of Belur Taluk, who has on our pursuasion

actually deposited Rs.4000 in cash by way of gift towards the formation of a road which will open the Malnad country in that part and the District Board has resolved to have the road and further correspondence is going on in that respect. While people who build ricketty buildings with jungle wood materials and have them owervalued because some body or other is associated with them secure recognition at the hands of our gracious Sovereign in a public Durbar, I venture to think that one who pays down hard cash of Rs.4000 is all the more deserving of a recognition to serve as an additional incentive. I would therefore respectfully venture to suggest this gentleman's name, as one deserving of a medal, and as he is himself a well-to-do malnad Gowda this honor is sure to be much appreciated.

With apologies for taking so much of your time, I am with kindest regards,

I am,

Yours sincerely,

H. Nanjundaiah
